

Arctic Kids - young explorers

SCAN ME

Explore the underground bunkers, go hiking in the Arctic and join us on an adventurous animal wildlife experience at Polar Park!

Narvik offers 5 days packed with arctic summer activities. Join us on a fishing tour, hike across Norway and learn about trains at the museum and why Narvik was so important during the 2nd World War.

DAY 1 – An evening at Narvik War Museum

Narvik War Museum invites you to 2 hours of learning through activities and artifacts. How was it to be a child during the war ?

DAY 2 – War historical walk to Nordalsbrua

Why was Narvik so important during the 2nd World War? Join us on a guided tour and learn about the German invasion and their desire to control the iron ore supplies. We take the train from Narvik Train Station to Sjøsterbekk Station and hike to Nordalsbrua where the key scenes in the war movie "Narvik" was filmed. Transport back to Narvik is included.

DAY 3 – Polar Park and Cave hiking

The world's northernmost animal park and home to Norway's large predators, such as bears, wolves, lynx, polar fox, reindeer and more is totally worth a visit. The wildlife park emphasis animal welfare, and the Parks Wildlife Foundation was created to improve animal welfare. Join us on a once in a lifetime experience and meet the wild animals – from a distance of course!

Can you hear that? The sound of falling water from an underground river. The smell of forests and rocks. The bigger your smile will get the more united we get. This is an experience which you will not easily forget!

DAY 4 – Bunkers hiking

Gather the family and join us on a hike in underground bunkers. Join us on an adventurous walk into narrow and dark underground Nazi bunkers - once filled with soldiers and weapons, today reminiscent of a dramatic history.

Go fishing

What's for dinner tonight? Cod, pollock or haddock? It's up to you! Improve your fishing skills on a fun day at sea. The boat takes you out to the best fishing spots, when the catch is onboard you can learn gutting and how to fillet the fish. Maybe you even figure out what the fish had to eat today?

DAY 5 – A powerful morning at Narvik Museum

Explore the museums interactive display on energy designed for children and young people. The museum also has an EI-12 locomotive. Visit the museum for slide shows, movies and exhibitions.
